

GAMMA
Construction Co.

January 6, 2010

To Whom It May Concern,

Gamma Construction Company has employed the services of Miller Surveying Group on numerous projects over the past 10+ years for surveying as well as confirming layouts and benchmarks. They have performed the services with the utmost professionalism and accuracy.

We do not hesitate to recommend them to any owner, architect or contractor for their surveying and layout needs.

Sincerely,

A handwritten signature in black ink, appearing to read 'THansen', with a long horizontal flourish extending to the right.

Tom Hansen
Senior Vice President
